

## HOW TO APPLY THE WRAP-AROUND LABELS

The wrap-around labels are super easy to apply. They are made to wrap around writing stationery and self-laminate at the same time.

- ✓ Waterproof
- ✓ Industrial Grade materials and Ink
- ✓ Size – 57mm (h) x 25mm (w) when flat
- ✓ Printed in black ink only.

Perfect for: pens, pencils, koki's, highlighters, skipping ropes and other thin round items.

- **Prepare your writing utensil:** Ensure that the pencils/pens etc. you want to apply the wrap stickers to are clean and free of dust residue. Wipe them with a dry cloth if necessary.
- **Apply the label to the pen/pencil:** Apply the short white section of the label to the pen/pencil, then keep turning the pen until it twists the clear half around the pen/pencil covering the printed section of the label. Press on the final line of the label to secure the end of the label which will make it almost impossible to remove.
